

**DISCLOSURE STATEMENT OF MUNICIPAL ADVISOR
UMB FINANCIAL SERVICES, INC.**

This Disclosure Statement is provided by **UMB FINANCIAL SERVICES, INC.** (“Municipal Advisor”) to the **AEROTROPOLIS REGIONAL TRANSPORTATION AUTHORITY** (“Client”) in connection with the Municipal Advisor Engagement Letter dated **September 8, 2021** (“Agreement”) and is dated as of the same date as the Agreement. This Disclosure Statement provides information regarding conflicts of interest and legal or disciplinary events of Municipal Advisor required to be disclosed to Client pursuant to MSRB Rule G-42(b) and (c)(ii).

PART A – Disclosures of Conflicts of Interest

MSRB Rule G-42 requires that municipal advisors provide their clients with disclosures relating to any actual or potential material conflicts of interest, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable. If no such material conflicts of interest are known to exist based on the exercise of reasonable diligence by the municipal advisor, municipal advisors are required to provide a written statement to that effect.

Material Conflicts of Interest – Municipal Advisor makes the disclosures set forth below with respect to material conflicts of interest in connection with the Scope of Services under this Agreement, together with explanations of how Municipal Advisor addresses or intends to manage or mitigate each conflict.

General Mitigations – As general mitigations of Municipal Advisor’s conflicts, with respect to all of the conflicts disclosed below, Municipal Advisor mitigates such conflicts through its adherence to its fiduciary duty to Client, which includes a duty of loyalty to Client in performing all municipal advisory activities for Client. This duty of loyalty obligates Municipal Advisor to deal honestly and with the utmost good faith with Client and to act in Client’s best interests without regard to Municipal Advisor’s financial or other interests. In addition, because Municipal Advisor is a broker-dealer with significant capital due to the nature of its overall business, the success and profitability of Municipal Advisor is not dependent on maximizing short-term revenue generated from individualized recommendations to its clients but instead is dependent on long-term profitability built on a foundation of integrity, quality of service and strict adherence to its fiduciary duty. Furthermore, Municipal Advisor’s municipal advisory supervisory structure, leveraging its long-standing and comprehensive broker-dealer supervisory processes and practices, provides strong safeguards against individual representatives of Municipal Advisor potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

I. Affiliate Conflict. UMB Bank, n.a., an affiliate of Municipal Advisor (“Affiliate”), has or is expected to provide certain services or products to or on behalf of Client that is directly related to Municipal Advisor’s activities within the Scope of Services under this Agreement.

In particular, Affiliate may trade in Client's municipal securities or provide funding to Client or purchasers of Client's municipal securities. Affiliate's business with Client could create an incentive for Municipal Advisor to recommend to Client a course of action designed to increase the level of Client's business activities with Affiliate or to recommend against a course of action that would reduce or eliminate Client's business activities with Affiliate. If Municipal Advisor makes a recommendation to Client that could influence the level of business with Affiliate, Municipal Advisor will consider alternatives to such recommendation, which will be disclosed to Client along with the impact that the recommendation and its alternatives would have on the business activities of Client with Affiliate. This potential conflict is mitigated by the fact that Affiliate is subject to its own comprehensive regulatory regime as a national bank under the applicable federal banking laws under which it operates.

II. Compensation-Based Conflicts. If the fees due under this Agreement are based on the size of the Issue and the payment of such fees shall be contingent upon the delivery of the Issue. While this form of compensation is customary in the municipal securities market, this may present a conflict because it could create an incentive for Municipal Advisor to recommend unnecessary financings or financings that are disadvantageous to Client, or to advise Client to increase the size of the issue. This conflict of interest is mitigated by the general mitigations described above.

Alternatively, if the fees due under this Agreement are in a fixed amount established at the outset of the Agreement. The amount is usually based upon an analysis by Client and Municipal Advisor of, among other things, the expected duration and complexity of the transaction and the Scope of Services to be performed by Municipal Advisor. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, Municipal Advisor may suffer a loss. Thus, Municipal Advisor may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. This conflict of interest is mitigated by the general mitigations described above.

Alternatively, if the fees due under this Agreement are based on hourly fees of Municipal Advisor's personnel, with the aggregate amount equaling the number of hours worked by such personnel times an agreed-upon hourly billing rate. This form of compensation presents a potential conflict of interest if Client and Municipal Advisor do not agree on a reasonable maximum amount at the outset of the engagement, because Municipal Advisor does not have a financial incentive to recommend alternatives that would result in fewer hours worked. This conflict of interest is mitigated by the general mitigations described above.

III. Other Municipal Advisor or Underwriting Relationships. Municipal Advisor serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of Client. For example, Municipal Advisor serves as municipal advisor to other municipal advisory clients and, in such cases, owes a regulatory

duty to such other clients just as it does to Client under this Agreement. These other clients may, from time to time and depending on the specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, Municipal Advisor could potentially face a conflict of interest arising from these competing client interests. In other cases, as a broker-dealer that engages in underwritings of new issuances of municipal securities by other municipal entities, the interests of Municipal Advisor to achieve a successful and profitable underwriting for its municipal entity underwriting clients could potentially constitute a conflict of interest if, as in the example above, the municipal entities that Municipal Advisor serves as underwriter or municipal advisor have competing interests in seeking to access the new issue market with the most advantageous timing and with limited competition at the time of the offering. None of these other engagements or relationships would impair Municipal Advisor's ability to fulfill its regulatory duties to Client.]

IV. Broker-Dealer and Investment Advisory Business. Municipal Advisor is a broker-dealer and registered investment advisor that engages in a broad range of securities-related activities to service its clients, in addition to serving as a municipal advisor or underwriter. Such securities-related activities, which may include but are not limited to the buying and selling of new issue and outstanding securities and investment advice in connection with such securities, including securities of Client, may be undertaken on behalf of, or as counterparty to, Client, personnel of Client, and current or potential investors in the securities of Client. These other clients may, from time to time and depending on the specific circumstances, have interests in conflict with those of Client, such as when their buying or selling of Client's securities may have an adverse effect on the market for Client's securities, and the interests of such other clients could create the incentive for Municipal Advisor to make recommendations to Client that could result in more advantageous pricing for the other clients. Furthermore, any potential conflict arising from Municipal Advisor effecting or otherwise assisting such other clients in connection with such transactions is mitigated by means of such activities being engaged in on customary terms through units of the Municipal Advisor that operate independently from Municipal Advisor's municipal advisory business, thereby reducing the likelihood that the interests of such other clients would have an impact on the services provided by Municipal Advisor to Client under this Agreement.

V. Secondary Market Transactions in Client's Securities. Municipal Advisor or its affiliates such as UMB Bank, n.a., in connection with its sales and trading activities, may take a principal position in securities, including securities of Client, and therefore Municipal Advisor could have interests in conflict with those of Client with respect to the value of Client's securities while held in inventory and the levels of mark-up or mark-down that may be available in connection with purchases and sales thereof. Municipal Advisor or its affiliates may submit orders for and acquire Client's securities issued in an Issue under the Agreement from members of the underwriting syndicate, either for its own account or for the accounts of its customers. This activity may result in a conflict of interest with Client in that it could create the incentive for Municipal Advisor to make recommendations to Client

that could result in more advantageous pricing of Client's bond in the marketplace. Any such conflict is mitigated by means of such activities being engaged in on customary terms through units of the Municipal Advisor or its affiliates that operate independently from Municipal Advisor's municipal advisory business, thereby reducing the likelihood that such investment activities would have an impact on the services provided by Municipal Advisor to Client under this Agreement.

VI. Solicitors/Payments Made to Obtain/Retain Client Business

Municipal Advisor neither utilizes solicitors to secure municipal advisor engagements, nor make direct or indirect payments to obtain or retain municipal advisory engagements with Client.

VII. Payments from Third Parties

Municipal Advisor does not receive any direct or indirect payments from third-parties to enlist Municipal Advisor's recommendation to the Client of third-party services, any municipal securities transaction or any municipal financial product.

VIII. Payments/Fee-Splitting Arrangements

Municipal Advisor does not share fees with any unaffiliated parties that provide services to the Client. However, within a joint proposal with other professional service providers, Municipal Advisor could be the contracting party, or be a subcontractor to the contracting party resulting in a fee splitting arrangement. In such cases, the fee due Municipal Advisor will be identified in a Municipal Advisor Disclosure and not other fees will be paid to Municipal Advisor from any of the other participating professionals in the joint proposal.

PART B – Disclosures of Information Regarding Legal Events and Disciplinary History

PART C – Future Supplemental Disclosures

As required by MSRB Rule G-42, this Disclosure Statement may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest or changes in the conflicts of interest described above, or to provide updated information with regard to any legal or disciplinary events of Municipal Advisor. Municipal Advisor will provide Client with any such supplement or amendment as it becomes available throughout the term of the Agreement.
